## Statement from Lt. Governor Denny Heck on Sen. Lynda Wilson retiring from the Legislature

Today the Lt. Governor released the following statement:

"I congratulate Senator Lynda Wilson on her retirement from the Legislature. She has been a principled conservative and has maintained the capacity to work across party lines. I was privileged to work with her at a small credit union in Vancouver 45 years ago, and I have been equally privileged to work together again the last four years. She bravely fought and defeated cancer while continuing to serve, an inspiration to all. I wish her well in her retirement."
